gear for your laptop lifestyle

## VERT - for 13" and smaller laptops

Protective, top-loading sleeve for your laptop. The Vert's combination of shock absorbing foam and corrugated plastic stiffeners, provide **complete protection**. An expandable front mesh pocket provides space for your power adapter. The clever, **retractable pull-tab facilitates laptop removal**, and our unique **Vert Alert zipper pull** reminds you to zip the computer compartment shut if the red side is exposed. Green side up and you're ready to go! The Vert combines all of these features in a **slim lightweight solution**.
